Gentlemen:

In an effort to reduce the mailing costs required in connection with the order manifests which pass between us, in accordance with your recent suggestion, we have consulted our attorney, who advises that all that is required is that our agreement of October 30, 1951, be revised as follows:

1. The first sentence of Paragraph 3(d)(1) be changed to read as follows:

"Orders shall be transmitted to Bank by Pekao on a manifest setting forth for each the name and address of the sender, and of the recipient, the type parcel and the agreed price for the parcel, or, in case the sender has left selection of the type parcel to the recipient a statement of that fact and of the total amount available to recipient, together with a summary, in duplicate, showing the order numbers of the orders detailed on the manifest."

2. The first two sentences of Paragraph 3(f)(1) be changed to read as follows:

"After Bank has delivered or dispatched the various orders set forth on an order manifest, it shall endorse each page of the summary with the following certificate, which shall be signed by a responsible official of Bank:

"We certify that, except as noted hereon,

each parcel listed hereon was dispatched
corresponding

_____, 19__.

BANK POLSKA KASA OPIEKI, S. A.

BY _____."

and shall return one copy of the summary so endorsed attached to its invoice stating "Parcels dispatched, as per certified summary attached" and setting forth the total price of the parcels for which dispatch is certified on the summary. Any parcels not so dispatched at the time the certified summary is so submitted to Pekao shall be crossed off the summary in red pencil or otherwise clearly indicated, and when later dispatched shall be invoiced on an invoice referring to the original manifest number and order number for the parcel order, on which invoice dispatch of such parcel shall be certified over the signature of a responsible official of Bank."

If you find these suggested changes satisfactory, please be good enough to sign and return the attached copy of this letter in the indicated place.

This Agreement made this 30th day of October 1951, between Bank Polska Kasa Opieki, S. A., a corporation created under the laws of the Republic of Poland (hereinafter referred to as "Bank"), maintaining an office at Traugutta 7, Warsaw, Poland, and Pekao Trading Corporation, a corporation created under the laws of the State of Delaware, United States of America (hereinafter referred to as "Pekao"), maintaining an office at Room 1624, 25 Broad Street, New York 5, N. Y.

E X P L A N A T O R Y S T A T E M E N T

Pekao is engaged in the business of selling in the United States, both directly to senders, and at wholesale to dealers, foodstuffs and merchandise, in standard prepared parcels, groups or units, for delivery to recipients in Poland. Bank is a financial institution created under the laws of Poland, and authorized under those laws to enter into mercantile transactions. On April 29th 1948, Bank and Pekao entered into a contract part of which has been executed, part of which was never put into force, and part of which, because of change in factual circumstances requires revision. Pekao and Bank therefore desire to terminate said contract, each mutually releasing the other from any obligation thereunder, and to enter into the arrangements hereinafter set forth whereby Pekao will purchase from Bank the merchandise necessary to fill its parcel orders and Bank will cause such merchandise to be delivered to recipients in Poland in accordance with Pekao's orders.

NOW, THEREFORE, THIS AGREEMENT WITNESSETH:

1. Bank acknowledges that the \$12,000 advance for working capital has been liquidated, that, except as hereinafter provided, it no longer has any right to the office space maintained in New York by Pekao, and that it has received all sums toward office and equipment rental to which it is or has heretofore been entitled. Bank and Pekao each mutually releases and discharges the other, its successors or assigns, of and from any claim, demand, action or cause of action arising from or out of a certain contract between them dated April 29th, 1948, and each acknowledges that said contract is discharged and terminated.

2. Pekao now maintains office space at Room 1624, 25 Broad Street, New York, N. Y. Bank formerly maintained the offices of its Representative in New York with those of Pekao. Pekao agrees that it will, at any time during the term of this agreement, upon the request of Bank, permit Bank to place its name on the outer door of Pekao's office space, and grant to it the use of such part of its office space and equipment as may be agreed upon, upon payment by Bank of such portion of the total overhead costs of said office as the number of square feet of space actually occupied by Bank's personnel bears to the total number of square feet of space maintained by Pekao. For the purpose of this agreement, "overhead costs" means cost of overhead of said office determined in accordance with good accounting practice, including, but not by way of limitation, rent, heat, light, telephone, depreciation of office equipment and office equipment rental, if any.

3. Bank agrees to sell to Pekao and Pekao agrees to purchase from Bank, standard parcels, groups or units (hereinafter collectively referred to as "parcel" or "parcels") of livestock, foodstuffs, machinery and/or articles of merchandise (hereinafter collectively referred to as "materials") as follows:

(a) Pekao and Bank shall from time to time agree upon the quantity, type and quality of materials to be sold as a parcel. The parties agree that Pekao Form No. 100 of June 1951, copy of which is attached hereto as Exhibit A and made a part hereof to the same extent as if set forth in full herein, lists and describes all of the agreed parcels as of the date hereof.

(b) At the time each parcel is agreed upon as in subparagraph (a) above provided, the Bank and Pekao shall agree upon the price to be paid therefore by Pekao, which price shall include cost of delivery and insurance. Such price shall not be higher than the price charged on the Polish market for the purchase at wholesale of the materials involved, for delivery and to be insured as hereinafter provided. Bank also agrees without additional charge to furnish to Pekao upon request descriptive literature, photographs, advertising copy and like information, and samples where feasible of the materials constituting agreed parcels. The prices set forth in ink on Exhibit A hereto for each parcel constitute the price to be paid at the date hereof by Pekao to Bank for such parcel.

(c) Without Pekao's consent, no change shall be made in the quantity, type or quality of materials constituting a parcel, or in the price to be paid therefor by Pekao, until thirty (30) days after receipt by Pekao of notice in writing from Bank that such a change is desired, nor shall any such change relate to orders received by Bank prior to the expiration of said thirty day period even though not delivered until after the expiration of said period. If the parties are unable within the thirty day period to agree concerning the requested change, the parcel involved shall not be considered an agreed parcel after the end of said thirty day period.

(d)(1) Orders shall be transmitted to Bank by Pekao on manifests, in duplicate, setting forth for each the name and address of the sender, and of the recipient, the type parcel and the agreed price for the parcel, or, in case the sender has left selection of the type parcel to the recipient a statement of that fact and of the total amount available to recipient. Where selection of parcels is thus left to recipient, Bank agrees that it will make no cash payment whatsoever to recipient, that it will compute the parcels selectable by recipient on the basis of Pekao's retail prices as shown by Exhibit A hereto, or any revision in such retail prices as may hereafter be advised to it by Pekao, and that it will endorse on the certified manifest (hereinafter provided for) with respect to any such order a statement of the parcels actually selected by the recipient and of the agreed prices thereof to be paid by Pekao to Bank. Orders may also be transmitted by cable, but if so shall be confirmed by inclusion on the next manifest forwarded, in which case an appropriate notation shall be made on the manifest to indicate that the parcel order involved has been previously transmitted by cable.

(2) Bank shall promptly after receipt of an order, make or cause to be made delivery of the ordered parcel to the recipient named in the order either by mail, by direct delivery to the home of the recipient, by delivery to the nearest railroad station, or by notifying the recipient that the parcel has been made available to him at the order of the sender (naming him) and that it may be obtained by calling at the place stated in the notice. Except as points of delivery are set forth for particular parcels in Exhibit A hereto, the choice of method of delivery shall be at the option of Bank. Bank shall obtain from recipient a receipt evidencing delivery and, as promptly as

may be consistent with proper entry on its books of account, shall forward the receipt to Pekao.

(3) If by reason of the death of or inability to locate the recipient named in the order or for other reason Bank is unable to deliver the parcel or notice of availability thereof as the case may be within sixty (60) days after transmittal by Pekao of the order to Bank, Bank shall so notify Pekao and shall thereafter consider the order cancelled unless otherwise notified by Pekao. If the recipient of a notice of availability fails or refuses to take delivery of his parcel, within thirty (30) days after said notice is forwarded by mail to him, Bank may, at its option, treat the order as cancelled but in such case shall so notify Pekao. In the event that normal channels of communications between Poland and the United States are cut off (1) any orders for which Pekao has not received from Bank the certified manifests provided for in subparagraph (f) hereof shall be, ipso facto, cancelled and Pekao shall have no further liability with respect thereto, and (2) for any orders for which such manifests have been received by Pekao but for which recipient's receipts have not been received by Pekao, Bank shall preserve such receipts until communications are resumed, and shall hold same at the disposal of Pekao.

(e) Bank shall cause each parcel delivered by other than its own agents or employees to be insured against loss in transit by water, fire, theft or other cause in the amount of the agreed price of the parcel. All claims by recipients for damaged or defective materials shall be adjusted by Bank without charge to Pekao. In the event Bank and recipient are unable to reach a satisfactory adjustment of any such claim, Bank shall, upon return of the parcel, deliver to recipient a receipt therefor in duplicate and shall transmit to Pekao one copy of such receipt with the statement endorsed thereon that the order in question has been cancelled.

(f) Payment of the agreed price for each parcel ordered shall be made by Pekao to Bank as follows:

(1) After Bank has delivered or dispatched the various orders set forth on an order manifest, it shall endorse each page of the manifest with the following certificate, which shall be signed by a responsible official of Bank:

"We certify that, except as noted hereon,
each parcel listed hereon was dispatched
to the named recipient on or before ____
_____, 19__.

BANK POLSKA KASA OPIEKI, S. A.

By _____.",

and shall return one copy of the manifest so endorsed attached to its invoice stating "Parcels dispatched, as per certified manifests attached" and setting forth the total price of the parcels for which dispatch is certified on the manifest. Any parcels not dispatched at the time the certified manifest is so submitted to Pekao shall be crossed off the manifest in red pencil, and when later dispatched shall be invoiced on an invoice referring to the original manifest number and order number for the parcel order, on which invoice dispatch of such parcel shall be certified over the signature of a responsible official of Bank. When, after Bank submits its invoice for a parcel, the order is cancelled as hereinabove provided, Bank shall furnish to Pekao its credit memorandum referring thereon to the original manifest number and order number, and in appropriate cases, attaching the Bank's receipt to recipient. Subject to the rights given to Pekao under subparagraph (2) hereof, Pekao shall, after deducting the amount of any available credit memoranda, pay the balance of each invoice, within ten (10) days after receipt thereof, in United States dollars, net New York funds, by payment into Bank's account with the Irving Trust Company, One Wall Street, New York, unless Bank shall otherwise specifically direct, and at the time of such payment shall send Bank advice thereof showing the invoice or invoices covered by the payment and listing the amounts withheld or deducted therefrom.

(2) Bank shall deposit with Pekao at the time of the execution of this agreement the sum of Twenty-five thousand (\$25,000) dollars, which said deposit shall be held in trust by Pekao upon the following terms and conditions:

(A) Said sum of money shall be forthwith deposited by Pekao in one or more interest accounts with one or more prime New York

banks, each of said accounts to be entitled "Pekao Trading Corporation, Special Account" and to be subject to the order of properly designated officials of Pekao. Until repaid to Bank or applied as hereinafter provided, the said sum of money and interest thereon, if any, shall continue to be the money of Bank and shall be held in trust by Pekao, and shall not be mingled with its funds or become or be considered as assets of Pekao.

(B) Pekao may apply the sum of money so deposited, and interest thereon, (hereinafter sometimes referred to as the "fund" or "trust fund"), or any part thereof, for any of the following purposes: (1) In the event of any dispute (and whether said dispute arises before or after communications between Poland and the United States are cut off, if that event occur) between Pekao and its customer (the sender), Pekao may make such adjustment (including a full refund) as it in its sole discretion deems proper and may recoup from said fund, or apply said fund to the payment of, the entire dollar amount of such adjustment (not, however, in excess of the dollar amount paid to Bank for such parcel); provided, however, that if the dispute concerns non-delivery of a parcel for which Pekao has theretofore received from Bank the recipient's receipt, Pekao shall not make any such adjustment or refund without Bank's agreement thereto; (2) In the event that any order is cancelled for any of the reasons set forth in subparagraph (d) above, Pekao may recoup from said fund, or apply said fund to the payment of, the entire dollar amount of the refund made by Pekao to its customer (the sender) not, however, in excess of the dollar amount paid to Bank for such order; (3) In the event of any breach by Bank of this agreement, said trust fund may be retained by Pekao pending a determination by the arbitration court hereinafter provided for of the dollar amount of Pekao's damages for such breach, and upon any such determination the trust fund may be applied by Pekao toward the payment of such damages. For any of such purposes withdrawals from one or more of the Special Accounts hereinabove provided for shall be made and the sum so withdrawn shall be paid into or through Pekao's regular checking account. Pekao shall furnish to Bank notice of any adjustment or refund made by it and of the resultant withdrawal from the fund, and Bank shall within twenty

days after such notice deposit with Pekao such amount, if any, in dollars as may be required to bring the fund to a total of Twenty-five thousand dollars (\$25,000), provided, however, that should communications between Poland and the United States be cut off, Pekao shall preserve such notices until communications are resumed, and shall hold same at the disposal of Bank.

(C) Upon termination of this agreement and due performance by Bank of the provisions thereof, Pekao shall pay over to Bank, its representatives or assigns, the sum of money deposited, with interest thereon, if any, less the amount properly paid or payable by Pekao to itself under the provisions of this agreement.

4. The term of this agreement shall be for one year from the date hereof, and thereafter shall continue from year to year, for periods of one year, unless either party gives the other notice of termination sixty (60) days prior to the end of any such year.

5. Any claim, controversy or dispute arising out of this agreement shall be submitted to arbitration to be held in the City of New York, New York, United States of America, by an arbitration court consisting of three persons, one to be appointed by each of the parties hereto and the third to be chosen by the two thus chosen. In the event of the failure or inability of the two thus chosen to agree upon a person to serve as superarbitrator, the superarbitrator shall be appointed by the President of the Polish Chamber of Foreign Commerce, Warsaw, Poland.

6. No waiver or modification of any of the terms of this agreement shall be valid unless in writing signed by the parties hereto.

7. This agreement is executed in both the English language and the Polish language, but in the event of any discrepancy or conflict between the two versions, the Polish language version shall govern.

8. This agreement shall be governed by and construed in accordance with the laws of the State of New York, United States of America.
